Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sedi-ment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable, Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

MRS. ALLEN'S

Hair Restorer & Zylobalsamum Are so uniformly grateful and beneficial, that they are with justice called the natural strengtheners of the human hair. They are two entirely separate and distinct preparations, not to be used

together at one time. Mrs. Allen's Hair Restorer Never fails to satisfy the most refined and cultivated. A guarantee goes with every bottle, that it will quickly restore gray or white hair to its original youthful beauty, gloss and color; after its use a few times the hair will grow thicker and stronger. It will stop its falling and induce a healthy and luxuriant growth. It is an exquisite hair dressing, agreeable, harmless and healthy. Entirely different from most other preparations for the hair, its composition and ingredients are nourishing.

Mrs. Allen's Zylobalsamum This exquisite preparation is free from any sediment, and is a toilet treasure. The urgent want of a simple Hair Dressing, for the youth of both sexes, first induced the manufacture of the Zylobalsamum, and the sale of it is perfectly immense, not only in this country, but in Europe. HALL'S Vegetable Sicilian Hair Renewer

Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard, and to those who have never used it we can confidently say, that it is the only reliable and perfected preparation to restore GRAV OR FADED HAIR to its youthful color, making it soft, lustrous, and silken; the scalp, by its use, becomes white and clean; it removes all cruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hair grows thicker and stronger. In baldness it restores the capillary glands to their normal vigor, and will ereate a new growth except in extreme old age. It is the mess economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair that splendid glossy appearance so much admired by all. A.A. Hayes, M.D. State Assayer of Mass., says, "the constituents are pure and carefully selected for excellent quality, and I consider it the BEST PREPARATION for its intended purposes." We publish a treatise on the hair, which we send free by mail upon application, which contains commendatory notices from cleryymen, physicians, the press, and others.
